

Celabrating 45 years of advocacy for patients rights

CPM EXPRESS MARCH 2020

TO AFFILIATED COMMITTEES

Dear affiliated members,

CORONA-VIRUS, RIGHTS OF PATIENTS IN THE CURRENT SITUATION:

CPM wishes to remind everyone that residants of CHSLD long term facilities and patients in hospitals do not loose their rights because of the present situation.

Of course, at affiliated committees and CPM, we need to be supportive of the different measures taken by the Government with the objective of eradicating the transmission of the virus. The application of those measures does not authorize anybody to mistreat anyone, neither a patient or a member of caring personnel.

Do not hesitate to contact us if any inhuman or unacceptable situation does occur in premises under your care.

**REMINDER ON PENDING CLASS ACTION FOR MISTREATMENT IN
LONG TERM FACILITIES (CHSLD)**

Trial should be called in a few months and all are invited to register to the class action at the following e-mail address:

CHSLD@larochelleavocats.com

Again, thank's for your support.
